[Politics word made by Aristotle] What is more natural to man than politics is reason? All men possess some capacity of reason through which they order their lives and make sense of their natural inclinations. As Aristotle does point out, men can have all kinds of natural inclinations and most men are gregarious creatures. Does this mean that politics is reason applied to relationships among men? Unfortunately, as we have seen, there are many kinds of human relationships that involve reason without necessarily involving politics. So we come to the conclusion that either politics are not natural or something else along with reason is natural among humans and necessitates political activity.

Dear Mr. Donald J. Trump, I King Arthur has seen what you are doing for a longtime, along with many others, and some not known to the Public as of yet. Observing the elections for a very very longtime, has been rigged, by some very powerful entities. I wish you and Your Family all of the best in the upcoming days, and to finalize you're Position, and help getting the Peoples Heart Healed around the World in the Highest Regard. As a sole Re-Public Nation, is there a potential of a New Election to serve as only 1 Republic solely, not with Separation of Powers, in a Demo-cratic Duality? [6th to 19th, Jan. 2021]

Sincerely, Daryl Arthur Payan I, aka, King Arthur I

WORLD LEADERS ARE

REAL FOUNDING OF THE USA

The "North American" continent, known then as **Ultra-Amekasan-Ur** or **Ame-Ka-Ra**, which had become inhabitable following the induced "Ice Age" of the 21,900 BC **Lohas Celtec-Druidic Freeze-out territorial conquest**, was intended to become the "New Jerusalem" of the Jehovian/ Enochian Anunnaki Leviathan, and the new "**Ame-Re-Ka of the Nibiruian Thothian Anunnaki Leviathan**". The Pleiadian-Nibiruian Anunnaki's 9558 BC opening of the Phoenix Matrix was intended to create climatic instabilities and a quick-freeze within select northern and southern regions. The Pleiadian-Nibiruian planned to "clear the real estate" and literally "put it on ice" to prevent Emerald Covenant races from reinstating Human and Indigo Guardians there after the orchestrated "flood" that wiped our memories. The Anunnaki of the Luciferian Covenant planned to have their "frozen assets" thawed out and populated by their **Leviathan race Illuminati Sleepers Power Elite**, in plenty of time for dominion during the current Ascension cycle.

Our beloved **America**, as well as **Europe**, and literally **all countries** on the planet, have been carefully cultivated through the **Illuminati Leviathan force family lines** to reach their present state of "civilization. America was not "discovered"—it was "seized" by competing factions of (Freemason) **Pleiadian-Nibiruian Knights Templar-Anunnaki** and **Drakonian-Nephedem Leviathan Illuminati** races, like many other nations have been. When America was "discovered," it was "time" to prepare for the Big Party and activate the "Illuminati Sleepers" to carry out the Thothian Luciferian **New World Order** agenda of intentional **Angelic human genocide**.

This progress of ascension we will not have to pass away trying but ascend into new earth reality. King George 3rd Leased Land Freemason Titles to the land once again in Edinburgh, Scotland and Virginia Registered in Delaware, to Washington D.C. overlaying Jurisdictions, but will hold the Flag in its rightful place with King William 3rd and 4th. Such as the QFS to you directly. This has been a ill-gotten control in connection from the Rothschild Family's and Vatican with others, from the underworld to the lands of claims and now over, some mentioned in these videos. This is part of the reason why, I, King Arthur am here and Returned. Now according to of the US Constitution, Article IV, sec.3...states: "New states may be admitted by Congress into this Union, but no new State shall be formed or erected within the jurisdiction of any other State....Ummm...sooo....are we GUILTY by ASSOCIATION !?? **No, We are not, because there was no full disclosure to the public, and came within timeline 1888 under Queen Victoria and as Shipping Clerks prior, without worldwide announcement to inform the people of the ill effects of lost at sea rule.**

The United States passed the Abandoned Shipwrecked Act in 1987. That Act gives title of all shipwrecks within U.S. waters to the United States and not to the discoverer of the shipwreck. U.S. territorial waters extend at least three miles from the coast line. Further, if the remains of a United States or a foreign government's ship are recovered then the law of finds does not apply since it is generally accepted that governments never abandon the search and recovery efforts for their own vessels.

OFFICIAL PRESS RELEASE

Te Tiriti [TREATY] o Waitangi IS DEAD

Office of the Mauri Crown;
Chief Administrator/Governor: Rhys-T: O'Leary;
Date: 22nd December 2020;

Spoken words from the Secretary of the Governor General of New Zealand, Gregory Baughen quote "Crown of England was what was here at the time of the Colony in 1840, and there hasn't been a Crown of England for the last generation. We no longer have our Sovereignty held by the Queen of the United Kingdom. It is held by the Queen of New Zealand." unquote. So who is the Queen of New Zealand?

The fact has been revealed for all to see in plain sight. New Zealand has no (mandated) Queen or (mandated) King and is being administered by a piece of paper registered with Washington DC; being the Queen of New Zealand also known as HER MAJESTY THE QUEEN IN RIGHT OF NEW ZEALAND SEC.gov CIK #0000216105.

At no time has the Crown of England given full closure of this amendment of agreements. What does that mean for the Crown of the Mauri People - the other Treaty Partner?

What it means is the Crown of the Mauri Nation are the only successors standing; they can lawfully and legally activate their Queen (or King) and uphold their position as the only other living Crown on the Earth. This fact can be found in the Treaty of Waitangi Mandate.
