CROWN TEMPLAR BAR:

### Freemason Controlling Negative F-actor

Most all people have a Crown. Length - Crown to Heal, typed on my live birth non all capital letters on the Slavery Bonded Certificate. I ask, did I go to school before I was naturally born here to earn the Certificate. The answer is yes or quit possible. I am here now, as I reincarnated and had many life times before and a dimensional being, called Angelic- Hue-man, with the [E] in it. It's a vibration. Time matrix and beyond traveler. Search 1666 trust, Vatican induced as a soul catcher, and moon satellite re-incarnator stopping point for the Van Allen belt negative vibration upon earth including fake sun which is a German made reflector, check las Vegas for one ring, elevation, solar and reflectors off the 215 south of Las Vegas, Nevada However, the moon satellite is being dismantled of its nuclear abilities as of August few years back with Inner Earth Auroras. No more separation and divide, but to connect law of one, with love joy enlightenment called the Great Awakening is at hand out of the death spiral but to the cosmos

Did I hear "one man can change the world" by Donald John Trump? Also, "you have to be one to take them out" by Donald John Trump. People do your own Research.

Notice to All,

Today, I Daryl King-Arthur Payan I, and Hoani King-John Wanoa are replacing the 2 Georges on the 8 Point Star Saint Patrick's Flag temporarily, and Taking all negatives of any other George family, attached, including Elizabeth II or Donald John Trumps or fake attached names of the Kennedys [Kennedy space center] and same applies to them as to Donald John Trumps, for their arrest, and negatives such as King William that created the Mortgages is null and void now. Everyone on this planet are Kings Creditors, not by debtor levy agencies. By Naturally their own Crown to Heal whether on the Birth Certificate or not, Not by diseased King George 3<sup>rd</sup> Queen Victoria nor Elizabeth II or Crown Templar Bar Debtors of King George III running that negative energy. We are not death pledgers to anyone. The final clone agenda plan is too slow, while millions are dying out of their hue-man body, and more potentially is to stop right now.

I can be anywhere, and dimensionally in the positive consciousness vibration to do what is needed, that is why they are saying watch the water. You here are made of water and energy 22 grams, and a hologram or graphic heart felt projection and heal the past vibrational energy within and be everything you were meant to be here and now, reaching your autma up there to down here, as an experience made by some that may have had good intent and others not so much, also as we astral travel every night and are professionals at it. This 3d matrix is gone and 4d matrix on the way out. This is where I come in to raise your awareness of this to vibrantly get out of the fear and proceed with love, friendship, Joy and enlightenment with the Flag I created for you all, Starting in England, all of it including Ireland-Scotland of the same now Connecting England lands over the Name Scotland as one, which can no longer be divided and call it [proposed] sovereign of its own and go to the Kings and Queens German State Frau-dule-ntly developed which is against the Basque from Atlantis and Lemuria as Universal Law of one.

The Basque were on the lands in Americas [company name] long before Christ-ofer Col-um-bus, and Kennedy's Columbus space station. As mentioned prior, law of one.

Grid war over the epicenter control is underway in the United Kingdom. The family of Michael are the center of this conflict as they are coveted as pets for the luciferin elite. And his aggressively targeting towards Christ Michael, masculine principle through the consciousness war to gain total control of the changing horizontal rod architecture on earth. The Mutation is required to enforce the planetary crucifixion implants which are essentially death seals that free the blood sacrifice networks like the Moloch battery tanks. These crucifixion implants block the 7<sup>th</sup> dimensional ax atonal lines and all of the 7d energy systems connected to the female spirit principle on the left side of our body which impaired the human embodiment of Mother-Sophia Principle. When the checkerboard mutations are lifted or dissolved into higher frequency matter which causes a depolarization effect many of the Death Seals also dissolve or released.

See ascension glossary. Type in "Technological abuse of Crystal Caverns" the good part is the genetic time codes are now being release in organic sequences.
